SECTION 1: COVER PAGE

Part 1.1: Snapshot Information

Please enter the name of the LEA or charter school:

Memphis College Preparatory Elementary School

Please enter the contact name and information for a single point of contact for the LEA or charter school:

Tyree C. Daniels; tdaniels@memphiscollegeprep.org; 901-438-1911

Part 1.2: Landscape Paragraph

The LEA will complete a brief landscape analysis, not to exceed a short paragraph in length. This information will include a needs assessment from the spring closures and 1-2 lines about the overall CLPs for the coming year. This can also include information provided in the LEA's CARES Act application. As an alternative, the LEA may attach a recent landscape analysis, or the LEA may reference the pages that cover this section in a separate attached document or their CARES Act application.

Memphis College Prep ("MCP") has formulated a Recovery Roadmap plan to focus the school's efforts around returning to campus for the 2020-2021 school year. We understand there is no suitable replacement for in-person learning; however, at this time, we believe the healthy, safety and ability to learn will be too tremendously impacted for our scholars to return to campus. Therefore, MCP will operate their virtual online learning platform, MCPAnyWhere through at least August 31st if we will resume a hybrid model of instruction in accordance with local regulations and guidance. We launched MCPAnyWhere two days after our scheduled Spring Break in March 2020. It has been wildly successful both on the part of scholars and teachers. The key learnings were the need for digital devices for each scholar, training for families and access to internet. We have developed plans to address all of them.

Part 1.3: COVID Plan

If the CLP will not be implemented at the beginning of the school year, the LEA should provide either a narrative summary OR an attachment of the decision-trigger process for school building closures and an estimate of the timeline for full implementation of the CLP in that instance.

Memphis College Prep will start on August 10th, 2020 in full virtual learning mode. By, or on August 31st, if Shelby County has entered Phase 3 of their Back to Business Plan, Memphis College Prep will return to a hybrid learning mode where there are 4 days of in person instruction and 1 day of remote learning. Please refer to page 15 of the attached "MCPAnyWhere Operational Plan" for more information.

We will review the status again on the week prior to Fall Break 2020 to determine best course of action when we return. Building closures will be in tandem with local regulations and guidelines.

Part 1.4: Authorizer Engagement (only charters complete)

All charter schools should denote if a copy of their CLP was sent to the charter authorizer. Charter schools are strongly encouraged to work with their charter authorizer when developing their CLP to ensure the charter school CLP is not in conflict with provisions of the charter agreement or memorandum of agreement related to performance goals or services provided to the charter school by the authorizer.

Yes, we provided a copy of the CLP to Shelby County Schools.

Note: Throughout this document there are references to various grade bands. The Department recognizes that LEAs may have a variety of grade bands, such as K-8 schools, 6-12 schools, and K-12 schools, and may also have approaches divided by primary and intermediate elementary grades, etc. LEAs have the option of multiple-select throughout the application and may provide any information that is helpful in detailing their CLPs. LEAs do not need to conform to a specific grade band.

Note: Throughout the application, LEAs will be asked to select whether the CLP will be the same in the case of full remote learning. If it is not the same, then the section will appear twice (once for how schools will open in person and once for full remote learning.)

SECTION 2: PROGRAMMATIC MODEL FOR THE 2020-2021 SCHOOL YEAR

This section should provide information on the instructional models that will be employed by the LEA. Please note the requirements for the various pathways selected. **Note:** *Per State Board of Education rule and policy, LEAs must have approved CLPs to receive BEP funding in remote learning environments.*

CLPs must be submitted to the department by July 24, 2020. LEAs that will not be starting implementation of their CLPs at the beginning of the school year will be able to request permission to submit only Sections 1 and 2 of the CLP by July 24, 2020 in order to receive provisional approval. These requests must be submitted to the department by July 6, 2020. LEAs that receive provisional approval will then be required to submit the remainder of the CLP by August 31, 2020 to receive full approval.

Part 2.1: Beginning-of-Year Programmatic Model by Grade Band

Please complete the chart below for how you plan to begin the 2020-21 school year (check all that apply). The [Reopening Schools: Overview Guide for LEAs](#) should be referenced for more information or definitions on the various pathways. Even in a traditional in-person model, individual students learning remotely may operate under the CLP; in those cases, please check “family choice.”

Part 2.2: Differences between Schools

LEAs should complete this section only if schools within a given grade band are implementing different models and pathways (e.g., some hybrid split days, some hybrid based on family choice, and some in-person). Only complete the table below for grade bands where there are in-LEA differences. If there are differences in models or pathways within a school to accommodate student populations served, please provide rationale.

School Name	Grade(s) Served	Model(s) Selected	Pathway(s) Selected	Rationale

SECTION 3: STANDARDS-BASED INSTRUCTION

This section should cover how the LEA intends to provide standards-based instruction for students who are not receiving in-person instruction at the school site. **Note:** There may be meaningful differences between the beginning-of-year approach and the approach during school building closures (should those be necessary). As such, the section will be repeated for “beginning of the year” and again for school building closures. If the strategy is the same, please check the appropriate box below. Please see the Special Populations, Academics, Postsecondary Transitions and Access and Opportunity [toolkits](#) for support.

- The LEA is beginning the year with full virtual or other remote instruction OR the LEA is beginning the year in-person and this CLP will reflect a full virtual or remote instruction model, if necessary.
- The LEA is beginning the year in a hybrid model. The CLP will reflect the hybrid model and will note any additional changes needed to convert to full remote or virtual instruction, should it become necessary.

Part 3.1: Explanation of Approach

To complete this section, LEAs may elect to either complete a brief (3-4 sentence) narrative or they may reference relevant pages in an attached document or plan. In the box below, please provide the narrative or the page(s) referenced if using an attached plan. State law requires 6.5 hours of daily instruction in grades 1 – 12 (4 hours for kindergarten).

Memphis College Prep serves grades K-5. We will begin the school year in virtual learning only through our proprietary learning platform, MCPAnyWhere. The platform will combine teacher-led instruction, independent scholar reading circles, one-to-one devices for all scholars, online courses include virtual class meetings, independent learning activities, and participation in online and/or optional in-person learning opportunities. We are also conscious of access and flexibility for all scholars to learn in a manner that meets their unique family needs. Synchronous (live video interaction) activities will be regularly scheduled and required for scholars. The day will consist of Tennessee standards aligned curriculum divided over ELA, Math, STEM and Social Studies. Special enhancement courses will also include art, physical health and science. Teachers will also have additional office hour times for additional tutoring and support. The complete breakdown of schedule is included in "MCPAnyWhere Operational Plan" on page 5 and 6.

Part 3.2: Instruction Breakdown by Grade Band

Please complete the chart for each grade band to reflect the minutes of instruction planned. (In the online application, the chart below will appear for each grade band.)
