Non-Public School Consultation Final Agreement

Traditional Final Agreements with non-public schools are due in ePlan by Sept. 15.

Overview

The Every Student Succeeds Act (ESSA) in §§ 1117 and 8501 requires LEAs to provide equitable services to students and teachers in eligible non-public schools. The requirement of providing equitable services is achieved through timely and meaningful consultation between the local educational agency (LEA) and non-public school officials. The consultation process must occur prior to any decision that affects the opportunities of eligible non-public school students, teachers, and other educational personnel for equitable services. This consultation must be ongoing, continuing throughout the implementation and assessment of these activities. Further, LEAs are required to finalize all ESSA equitable service agreements with non-public school officials. LEAs that have uploaded consultation agreements for each participating non-public school as described below will have satisfied the ESSA requirement that consultation agreements be forwarded to the ombudsman.

State Ombudsman

To help ensure equitable services and other benefits are being provided for eligible non-public school students, teachers, and other educational personnel, the state must designate an ombudsman to monitor and enforce the requirements under both Title I and Title VIII. Tennessee has designated the department's Title II and equitable services coordinator as the ombudsman for ESSA equitable services requirements. If there has been no consultation or agreement between the LEA and the non-public school, a complaint may be filed on behalf of the non-public school by completing the Complaint to the Ombudsman [form](#) found in [eplan.tn.gov > TDOE Resources](#) > ESSA/IDEA Non-public Schools Information & Documents. Complaints must be signed by the individual(s) or organization(s) filing the complaint and copied to the LEA. Complaints must be sent to the department to the attention of the ombudsman via email to Michelle.Harless@tn.gov.

Traditional Non-Public School Consultation Final Agreement

This sample form expands upon and finalizes topics from the "Affirmation of Meaningful Consultation" that each LEA uploaded to ePlan as part of the consolidated funding application (CFA). This is not an exhaustive list and may not cover the entire agreement between the LEA and non-public school officials as each school may have individual or unique needs that could be defined as allowable for equitable services. LEAs utilizing this form should modify and add topics to reflect the actual agreement between the LEA, the non-public school, and any third-party contractor or other LEA providing services through a Memorandum of Understanding (MOU). LEAs must upload final agreements for each non-public school to the ePlan "LEA Document Library" by **Sept. 15**.
