Overview

On April 23, 2021, the U.S. Department of Education (ED) announced the availability of \$800 million to support the identification, enrollment, participation, and success of children and youth experiencing homelessness and to provide them with wrap-around services in light of the COVID-19 pandemic. The American Rescue Plan Act of 2021 (ARP) § 2001(b)(1) authorizes the ARP Elementary and Secondary School Emergency Relief – Homeless Children and Youth (ARP Homeless) Fund. ARP Homeless funding is being allocated to states through two separate awards: ARP Homeless 1.0 and ARP Homeless 2.0.

ARP Homeless 1.0

Following recommendations and <u>guidance</u> from ED, 25 percent of Tennessee's ARP Homeless allocation (minus state reserve funds) was made available as a supplement to current McKinney-Vento subgrant funds in early summer 2021. ARP Homeless 1.0 funds were administered through a competitive grant for current McKinney-Vento subgrantees only. Funds from ARP Homeless 1.0 are implemented consistent with the requirements of McKinney-Vento funds and must supplement and not supplant funds and services provided through state/local funds; Title I, Part A homeless set-aside funds; McKinney-Vento subgrant funds, ESSER 1.0, ESSER 2.0, and ESSER 3.0 funds.

ARP Homeless 2.0

The remaining 75 percent of Tennessee's ARP Homeless allocation will be made available to all local educational agencies (LEAs) on Sept.1, 2021. Allocations will be formulated based on each LEA's FY21 allocation under Title I, Part A, and either 2018-19 or 2019-20 homeless data, whichever year is higher. LEAs may choose to accept or release ARP Homeless 2.0 funds.

ARP Homeless 2.0 Overview

ARP Homeless 2.0 Timeline

Keeping with ED's recommendation to immediately begin addressing the needs of homeless children and youth, the ARP Homeless 2.0 application and review process will take place expeditiously, over a two-month period.

ARP Homeless 2.0 Consortium

ED also established <u>guidance</u> that an LEA must have an allocation of at least \$5,000 under the ARP Homeless 2.0 formula to be eligible for an ARP Homeless 2.0 subgrant on its own. If an LEA's allocation is less than \$5,000, to receive an ARP Homeless 2.0 subgrant, the LEA must join a consortium of LEAs in which the sum of its members' allocations meets the \$5,000 threshold. LEAs that generate more than \$5,000 are considered stand-alone LEAs but may serve as a fiscal agent to LEAs who do not meet their \$5,000 threshold requirement.

- LEAs that generate more than \$5,000 are considered **stand-alone** districts but may serve as a fiscal agent to LEAs who do not meet their \$5,000 threshold requirement.
- A **consortium** is made up of two or more qualifying LEAs that collaborate to meet the needs of homeless students within each LEA or the consortium. To form consortia, LEAs must have a fiscal agent.
- A **fiscal agent** is an LEA within an ARP Homeless 2.0 consortium responsible for managing all the member LEA's ARP Homeless 2.0 funds and reimbursing funds to each member LEA accordingly. The fiscal agent is the only consortium member that may take administration costs for administering the funds for the consortium.

ARP Homeless 2.0 Fiscal Considerations

LEAs should consider the following when planning for the use of ARP Homeless 2.0 funds.

Period of Availability:

- Awarded LEAs will have until **June 30, 2024**, to obligate funds.
- LEA will be permitted to submit a **multi-year budget** within the ePlan application. Please specify when a purchase spans several years within the budget narrative.
 - o FY22 (2021-22)
 - o FY23 (2022-23)
 - FY24 (2023-24)

Supplement, Not Supplant:

- ARP Homeless 2.0 funds should add to (or supplement) and not replace (or supplant) other funds, including:
 - State or local funds
 - ESSER 1.0, 2.0, and 3.0 funds
 - Other federal funding (McKinney-Vento subgrant, Title I, etc.)
- **IMPORTANT:** Narrative descriptions within the application must contain details making it evident that all purchases and programs meet *Supplement, Not Supplant* provisions.

Blending Funds:

• When planning for ARP Homeless 2.0, consider how ARP Homeless 2.0 funds **can work together and coordinate** with other funding streams such as the Title I, Part A homeless set-aside, ESSER 1.0, ESSER 2.0, ESSER 3.0, ARP Homeless 1.0, and the McKinney-Vento subgrant (as applicable).

ARP Homeless 2.0 Allowable Use of Funds

LEAs must ensure that all costs associated with ARP Homeless 2.0 are **reasonable and necessary** and that these funds **align with the intent and purposes of the McKinney-Vento Act**. All allowable uses of McKinney-Vento funds are also allowable under ARP Homeless 2.0. For more information, see the list of authorized activities in section 723(d) of the Education for Homeless Children and Youth (EHCY) statute, <u>42</u> U.S.C. § 11433(d).

Activities may include **any expenses necessary to facilitate the identification, enrollment, retention, and educational success of homeless children and youth**, such as:

- providing **wrap-around services** (which could be provided in collaboration with and/or through contracts with community-based organizations, and could include academic supports, trauma-informed care, social-emotional support, and mental health services).
- purchasing **needed supplies** (e.g., PPE, eyeglasses, school supplies, personal care items).
- providing **transportation** to enable children and youth to attend classes and participate fully in school activities;
- purchasing **cell phones or other technological devices for unaccompanied youth** to enable the youth to attend and fully participate in school activities;
- providing access to **reliable**, **high-speed internet** for students through the purchase of internetconnected devices/equipment, mobile hotspots, wireless service plans, or installation of Community Wi-Fi Hotspots (e.g., at homeless shelters), especially in underserved communities.
- paying for short-term, temporary housing (CAUTION federal guidance allows only up to a <u>3-</u> <u>day maximum stay</u>) when such emergency housing is the only reasonable option for COVID-safe temporary housing and when necessary to enable the homeless child or youth to attend school and participate fully in school activities (including summer school); and
- providing **store cards/prepaid debit cards** to purchase materials necessary for students to participate in school activities.

When considering funding decisions, it should be emphasized that § 723(d)(16) of the EHCY statute allows the use of funds for **"other extraordinary or emergency assistance needed to enable homeless children and youths to attend school and participate fully in school activities."** Since wrap-around services are only generally defined by McKinney-Vento, some interventions can be considered "extraordinary" and are unique to ARP Homeless 2.0 funding.

CAUTION – **Short-term, temporary housing** – Before allocating funds for this purpose, LEAs should consider the following other potential funding sources:

- \$5 billion in ARP through Housing & Urban Development (HUD) for homelessness assistance including short-term housing/prevention
- \$5 billion through HUD for emergency housing vouchers for those who are homeless. Also, between ARP and the December COVID package
- TOTAL of \$45 billion in rent relief through ARP and previous COVID relief funding

Liaisons are encouraged to work with the HUD Continuum of Care (CoC) Program to learn more.

CAUTION – **Store cards/prepaid debit cards** - To avoid potential opportunities for fraud, theft, misuse, and/or difficulty with accountability, liaisons should consider:

- partnerships with local vendors
- on-line ordering for basic needs

While overall needs may have increased as a result of the pandemic, homeless liaisons should always consider "what works" in the LEA's procedures to assist students with needed resources.

In addition to the *Supplement, Not Supplant* provision addressed in the previous section, under the McKinney-Vento Homeless Assistance Act § 722(g)(4), each homeless child or youth must be **provided services comparable to services offered to other students in the school**. Accordingly, if an LEA is using other funds to purchase a program or item for their students, they cannot use ARP Homeless 2.0 funds to make that same purchase just for homeless students. For example, if the LEA employs a social worker with state/local funds that works with all students, they could not hire a social worker with ARP Homeless funds to work only with homeless students. Because services to homeless students must be comparable to services provided to other students, if all students are being provided a service through state/local funds, then homeless students must also be provided that same services using those same funds. McKinney-Vento and ARP Homeless funds must be used to provide services **in addition to** the services being provided to all students.

ARP Homeless 2.0 Spending Priorities

Accordingly, when considering funding decisions, LEAs should analyze the needs of students experiencing homelessness in light of the COVID-19 pandemic and its extraordinary impact. Efforts to support historically underserved populations are also strongly recommended and encouraged (rural youth, tribal youth, students of color, students with disabilities, English learners, etc).

Additionally, ED strongly recommends that LEAs applying for ARP Homeless 2.0 funds focus attention on the following priorities:

- Connect students and families to summer 2021 learning and enrichment programs.
- Identify students during 2021, including:
 - o students previously identified and were not present or engaged AND
 - students in the community who may not be enrolled.
- Engage students and their families in preparation for fall.

ARP Homeless 2.0 Application

ePlan User Access

Users must have the correct ePlan user access role (*LEA ARP Homeless 2.0 Director*) to access and complete the ARP Homeless 2.0 application in ePlan. Users with existing ePlan access can check their current user access roles. To view existing access, visit <u>ePlan.tn.gov</u>, navigate to the *Address Book* and *LEA Role Contacts*, and view who is listed with the *LEA Title IX McKinney-Vento Director* role. Users who had the LEA *Title IX McKinney-Vento Director* roles prior to August 2021 were automatically assigned the new LEA ARP Homeless 2.0 Director role.

New ePlan users and existing ePlan users who need the new *LEA ARP Homeless 2.0 Director* user access role must request the additional role using the <u>ePlan User Access Form for LEAs</u>. Access the form by navigating to <u>eplan.tn.gov > TDOE Resources</u> > User Access Forms > <u>ePlan User Access Form for LEAs</u>. Users do not need to log in to ePlan to access *TDOE Resources* in ePlan. Follow the instructions on the *User Access Form*, then email the completed form to <u>ePlan.Help@tn.gov</u> to request additional access roles. User access requests may take up to two business days to process. Users will receive an email reply when access has been granted.

| ePlan Role | ePlan Function |
|--|---|
| LEA ARP Homeless 2.0 Director (Users with the LEA Title IX McKinney- Vento Director role were automatically assigned this new role) LEA Fiscal Representative LEA Authorized Representative | Click Draft Started (or Revision Started for revisions) Respond to application questions, enter budgets |
| LEA ARP Homeless 2.0 Director | Click Draft Completed (or Revision Completed for revisions) |
| <i>LEA Fiscal Representative</i> (CFO or treasurer) | Click LEA Fiscal Representative Approved (or LEA Fiscal Representative Not Approved) (may also request funds after ARP Homeless 2.0 application is approved) |
| <i>LEA Authorized Representative</i> (Director of Schools) | Click LEA Authorized Representative Approved (or LEA Authorized Representative Not Approved) |

After each status change, ePlan automatically sends a notification email to all users in the LEA who have the ePlan role of the next step in the process. For example, after the *LEA ARP Homeless 2.0 Director* clicks *Draft Completed*, ePlan automatically sends an email to all users in the LEA who have the role of *LEA Fiscal Representative*. Once the LEA receives the notification email that the ARP Homeless 2.0 application has been *FPO McKinney-Vento Coordinator Approved*, LEAs must complete the last step, *LEA Authorized Representative Approved*, for allocations to become available for reimbursement.

To submit the ARP Homeless 2.0 application when complete, click the *Messages* link on the <u>Sections</u> page in the column labeled *Validation*. This link provides an overview of the validations that ePlan is running behind the scenes.

Items marked *Warning* are validations that users are not required to address prior to submitting the ARP Homeless 2.0 application. Examples of warnings are not uploading an optional related document or budgeting an entire allocation.

Items marked *Error* are incorrect, and users **must** address each one before submitting the ARP Homeless 2.0 application.

• Click on the link to the left of the word *Error* to go to the identified page to make corrections. If the LEA does not address all *Error* validations, ePlan will not allow a user to submit the application.

Examples of errors are (1) budgeting for more than the allocation, (2) not budgeting in a section where there is an allocation, and (3) not responding to a required question.

- Once the user clears all errors, the user with LEA ARP Homeless 2.0 Director access must click Draft Completed at the top of the <u>Sections</u> page.
- This generates an email to the *LEA Fiscal Representative* who must review the draft and click *LEA Fiscal Representative Approved* (or *Not Approved*) at the top of the <u>Sections</u> page.

When an application is submitted in the status of *LEA Fiscal Representative Approved*, an email notification is sent to the LEA's FPO Divisional Coordinator. A map listing current FPO Divisional Coordinators is available in the *TDOE Resources* section of ePlan.

History Log

The *History Log* documents status changes along with the name of the user who prompted the change and the date of the change. Use it to review who submitted or reviewed an application or the date when it was last approved or returned.

• Users may place a note in the *History Log* by clicking on the *Create Comment* link. Use *Create Comment* with caution, as comments remain part of the application's permanent record and are viewable by the public on approved applications.

Cover Page

An LEA user must enter the following information:

- LEA Number
- LEA Name, Official Address, and Phone Number.
- Director of Schools Name, Email Address, and Phone Number.
- McKinney-Vento Liaison Name, Email Address, and Phone Number.

Note: If any of the contact information on this page changes within the school year, an LEA user must update this page.

Budget

ARP Homeless 2.0 is a formula-based grant. Allocations will be formulated using each LEA's FY21 allocation under Title I, Part A, *and* either 2018-19 or 2019-20 homeless data, whichever year is higher. Allocations will be loaded to ePlan (on Sept. 1, 2021) and LEAs will budget their funds at that time.

<u>Once ARP Homeless 2.0 funds have been allocated</u>, LEAs should follow the steps below to complete the budget in ePlan. The ePlan process for entering the ARP Homeless 2.0 application budget is consistent with all other grants in ePlan. Each LEA must have a department-approved budget in ePlan before requesting reimbursement.

Adding Budget Details on the Budget Page

- To access a budget, click the **Budget** link from the <u>Sections</u> page.
- For each budget line that the LEA plans to use, click *modify* located to the left of the account number to open the *Budget Detail* page for that line item.
- On the Budget Detail page for the line item, Click Add a Budget Detail.
- For each <u>Budget Detail,</u>
 - $\circ\;$ The Account Number auto-populates for the line item that is being modified.
 - $\circ~$ Select the appropriate line item number from the dropdown menu.
 - o Identify the appropriate budget tag (see below for more information on budget tags).
 - If desired, enter the Optional Program Codes.
 - Add a narrative description for each entry.
- ePlan auto-populates the Location Code field with the LEA's name and identification number.
- Enter the Quantity and Cost for the Budget detail. The quantity is most commonly 1.00.
- ePlan auto-calculates the Line Item total as Quantity multiplied by Cost.
- Continue to add additional Budget Details as needed for the budget line item. To edit existing Budget details, click the pencil icon. To delete an existing Budget Detail, click the trash can icon.
- Navigate back to the Budget Page and repeat this process for each budget line. ePlan autocalculates the budget totals as budget items and details are entered. ePlan deducts the budgeted amounts from the awarded allocation.
- Once complete, confirm that the amount in the *Remaining* area at the bottom of the <u>Budget</u> page is \$0.00.

Budget Filtering:

- Users can filter Budget Details by Account Number, Line Item Number, Location Code, Tags, or Narrative status by using the filtering tool.
- The most useful way to use this tool is by selecting all "Account numbers" and then filtering Budget Details by Tags.
- To use the Tags filter, users must select at least one "School Type" from the bottom of the filter list, and then at least one Focus Type tag.

IMPORTANT - Budget Expectations

- Indicate full-time equivalents (FTEs) for all staff paid with grant funds within the budget narratives and match the FTEs within all other areas of the grant application, including the *Spending Plan* page and all *Personnel* pages.
- If stipends are being paid to staff with grant funds, indicate when the work will occur and the rate of pay.
- Narrative descriptions must contain enough detail to show that the items and amounts budgeted are reasonable and necessary for the implementation of grant activities.
- If materials, supplies, or equipment are being purchased, provide examples of what will be purchased.

Note: ARP Homeless 2.0 does not have an allowable indirect cost.

Budget Tags

IMPORTANT - Budget tags are a **required step** in the ARP Homeless 2.0 application and allow reviewers to crossreference the amount in the budget for each focus area on the <u>*Program Details*</u> page and the <u>*Budget*</u> page.

Tags will identify the **identified allowable use of funds** of a budget item without overly relying on the budget narratives and can be used to indicate how the money addresses a specific strategy or initiative.

The **APR Homeless 2.0** budget tags are shown in the table below.

Budget Detail Account Number: 71100 - Regular Instruction Program • Line Item Number: 116 - Teachers • Academics: Select Tag • Whole Child: Select Tag • Educators: Select Tag • Optional Program Code: • • Location Code: Etowah (542) • Quantity: 1.00 • Budget Detail Total: \$0.00 \$0.00

Allowable Uses of Fund Budget Tags

- Staffing Support
- Communication Supports
- Counseling and Social Work Services
- Providing Wrap-Around Services
- Academic Supports

LEAs may only assign **one budget tag** to a budget line item. Tags are required to complete this funding application. To use the **budget tag** options for each line item, complete the following:

- Add the new line item,
- Select the appropriate focus area, and
- Click update or create and move to the next budget item.
- The budget tag totals will auto-calculate in the amount boxes in the **Focus Areas** section on the <u>Spending Plan</u> page.

ARP Homeless 2.0 Consortia Program Details

An LEA must have an allocation of at least \$5,000 under the ARP Homeless 2.0 formula to be eligible for an ARP Homeless 2.0 subgrant on its own. If an LEA's allocation is less than \$5,000, to receive an ARP Homeless 2.0 subgrant, the LEA must join a consortium of LEAs in which the sum of its members' allocations meets the \$5,000 threshold.

- A **consortium** is made up of two or more LEAs that collaborate to meet the needs of homeless students within each LEA or the consortium as a whole.
- LEAs that generate more than \$5,000 are considered **stand-alone** LEAs but may serve as a fiscal agent to LEAs who do not meet their \$5,000 threshold requirement.
- A **fiscal agent** is an LEA within an ARP Homeless 2.0 consortium responsible for managing all the member LEA's ARP 2.0 funds and distributing funds to each member LEA accordingly.

On the *Consortia Program Details* page, choose the appropriate budget option based on the amount of funds received and the appropriate consortia status. **IMPORTANT** - All LEAs must complete the *ARP Homeless 2.0 Budget Options* found on the *Consortia Program Details* page, including LEAs who plan to release funds.

Budget options include:

- LEA generated 5,000 or more will function as a Stand-Alone system
 - Stand-Alone LEAs must complete their budget on the *Budget* page.
- LEA will act as the Fiscal Agent for other LEAs
 - Fiscal agents must enter a budget that includes consortia members on the Budget page.
- LEA does not generate at \$5,000 and will join consortia to utilize ARP Homeless 2.0 funds.
 - Consortia members must contact <u>Vanessa.Waters@tn.gov</u> to activate the <u>Consortia Budget</u> <u>Review</u> page then enter their ARP Homeless 2.0 budget in ePlan on the Consortia Budget Review page.
- LEA is releasing ALL generated ARP Homeless 2.0 funds.
 - LEAs releasing all generated ARP Homeless 2.0 funds do not need to complete the rest of the ARP Homeless 2.0 application. Once the LEA has completed the *Cover Page and Consortia Program Details* the application may be submitted.

•Stand-Alone LEAs must complete their budget on the Budget page.

• Fiscal agents must enter a budget that includes consortia members on the Budget page.

• **Consortia members** must contact <u>Vanessa.Waters@tn.gov</u> to activate the Consortia Budget Review page then enter their ARP Homeless 2.0 budget in ePlan on the Consortia Budget Review page.

•**LEAs releasing all generated funds** do not need to complete the rest of the ARP Homeless 2.0 application. Once the LEA has completed the Cover Page and Consortia Program Details the application may be submitted.

ARP Homeless 2.0 Consortia Budget Review

LEAs who have not met the required minimum allocation of \$5,000 and are part of a consortium must complete a budget on the *Consortia Budget* Review page.

IMPORTANT: Please contact <u>Vanessa.Waters@tn.gov</u> as soon as possible if the LEA intends to participate in consortia to request to have this page activated.

Once activated, complete the consortia budget by completing the rows on this page. Once the ARP Homeless 2.0 application is approved by the department, LEAs participating in consortia must share the budget information from this page with their fiscal agent and the fiscal agent must use each consortium member's budget information to complete a budget within their LEA's application on the Budget page.

LEA Program Administration

The ARP Homeless 2.0 application has an associated *LEA Program Administration* page. This page requires information regarding how the ARP Homeless 2.0 program will be administered.

Administration Cost

LEAs may budget reasonable and necessary costs to manage the federal grant in a compliant and effective manner. The limit for administration costs for ARP Homeless 2.0 is 5% of the total award (not 5% each year). LEAs must provide a description of the reasonable and necessary administrative activities and personnel used to administer the grant program included. This includes full-time equivalents (FTE) and the amount deducted from the grant.

Only budget code 72210 is allowable to budget funds for administrative costs. All costs must be administrative in nature (e.g. program director, clerical staff, or bookkeeper salary/benefits; travel for administrative staff; professional development (PD) for administrative staff; etc.). <u>Note that</u> <u>consumable materials such as office supplies are not allowable in ARP Homeless 2.0.</u>

LEAs must include FTEs in budget narratives and must match the FTEs entered the ARP Homeless 2.0 Administration Program Details chart on the <u>LEA Program Administration</u> page. LEAs must base FTEs on the percentage of time spent on the cost objective.

Program Administration

- Choose the appropriate checkbox to indicate if the LEA is utilizing the grant funds to administer ARP Homeless 2.0. LEAs utilizing grant funds for administration must also complete the other questions on this page.
- If the LEA is not utilizing grant funds for program administration, provide a summary of how the grant program will be administered, including the title of the staff responsible for the grant administration, the FTE(s), and the other funding sources that will contribute to administrative staff salaries/benefits in the box.

Personnel Details—System-Wide

- Indicate headcounts (HC) for each staff member paid with grant funds. Headcounts must always be whole numbers and must match throughout the section if mentioned more than once.
- Enter both a headcount and an FTE for all system-wide instructional and support staff supported with the ARP Homeless 2.0. **System-wide staff** are employees not assigned to a building and work across the LEA in multiple school sites as necessary, but not as part of a planned assignment. Round FTEs to the nearest hundredth as necessary.
- Reference identified staff within the narrative description of administration within the *LEA Program*

Administration page (titles and FTEs must match)

Spending Plan

ARP Homeless 2.0 funds granted through this application should be in alignment and supplement the McKinney-Vento program. The questions on the application's *Spending Plan page* require LEAs to consider the needs of students experiencing homelessness and how funds will address those needs. The sections are as follows:

Planning

- 1. Reflect on the challenges that the LEA's homeless program faced during the COVID-19 pandemic. In the response, consider challenges around identification, transportation, housing, delivery of resources and services, school/extra-curricular attendance, etc.
- 2. How were these challenges determined? What data was used and what stakeholders were involved?
- 3. What prioritized educational, social, emotional, and/or mental health needs of homeless children and youths served by the LEA were identified by these challenges?

Services

- 1. Describe how the supplemental **educational programs and services** provided with these funds will meet the identified needs of the LEA's students in transition. (i.e., tutoring, extended school programming, etc.)
- 2. Describe how the supplemental **wrap-around services and supports** provided with these funds will meet the identified needs of the LEA's students in transition (i.e., mental health supports, access to social workers, community-based supports, etc.).

Use of Funds

Provide a spending plan for ARP Homeless 2.0 funds that are aligned with the needs of the LEAs homeless program. For each of the applicable focus areas, describe the proposed activities. Next, explain how each activity addresses an established need and how the effectiveness of each activity will be assessed. The budget tags that are entered on the *Budget* page will total and will auto-calculate in the amount boxes in the Focus Areas section on the Spending Plan page.

Allowable use of fund categories include:

- 1. Staffing Supports
- 2. Providing Communication Supports
- 3. Providing Counseling and Social Work Service Supports
- 4. Providing Wrap-Around Supports

ARP Homeless 2.0 Checklist

LEAs must review the ARP Homeless 2.0 Application Checklist for general checklist comments from each application reviewer, if applicable, and for the program section.

- After the LEA submits the application, the department reviews the application and marks each section as **OK**, **Not Applicable**, or **Attention Needed**. If the application contains no items that are marked as *Attention Needed*, the application is approvable.
- If the application contains items that are marked as *Attention Needed*, the application will be returned to the LEA with a status of not approved. The LEA will review the checklist for items that are marked *Attention Needed* and make the necessary changes to those items. Only the checked items in the areas marked *Attention Needed* need correction. Each section marked *Attention Needed* also has a place where the department may provide notes to explain items needing attention. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA resubmits the application for approval. If the department determines that the area is correct, *Attention Needed* will be changed to OK by FPO leadership. If the items needing attention still have not been corrected, the application will be returned to the LEA with a status of *Not Approved*.
- Applications that contain no items that are marked *Attention Needed* will be approved.

Each section will be designated with one of these statuses:

- Not Reviewed: No review occurred.
- **OK**: The section has no corrections and is approvable.
- **Coordinator Reviewed**: The section has been reviewed by the coordinator.
- *Attention Needed*: The section has items that need to have corrections completed.
