

Local Education Agency (LEA) Grant Award Notifications (GANs) Overview

The Tennessee Department of Education (awarding agency) sends each entity that receives federal funds a Grant Award Notifications (GANs) detailing the amount of the allocation, period of performance, and terms and conditions of the federal grants. GANs are required under the Code of Federal Regulations 2 CFR § 200.332.

For fiscal years (FY) 2015-22, GANs were uploaded into the ePlan LEA Document Library. To locate each LEA's GANs, go to ePlan > LEA Document Library > Fiscal Year. Click Search, select the Fiscal Year, then scroll to Grant Award Letter Folder > [Name of Grant Award Letter].

Starting in FY23, GANs were uploaded into the ePlan LEA Data and Information. To locate each LEA's GANs, go to **ePlan > Data and Information > Fiscal Year > Grant Award Notifications.**
