

Preschool Endorsement Guide

The Preschool Endorsement Guide is designed to support districts in identifying applicable endorsements for Integrated Pre-K programs, Special Education Pre-K programs, and General Education Pre-K programs. Educators are eligible to teach in an Integrated Pre-K program if they hold an endorsement for Integrated Pre-K or **both** an endorsement for Special Education Pre-K **and** General Education Pre-K.

Integrated Pre-K	Special Education Pre-K	General Education Pre-K	
In this classroom, 50% or more of the children on the daily roster do NOT have an Individualized Educational Plan (IEP). Students with disabilities receive their services from a certified teacher, who facilitates both general and special education instruction, or related service provider.	In this classroom, 50% or more of the children on the daily roster have an IEP. Students with disabilities receive their services from the special education teacher or related service providers in the special education setting.	In this classroom, 50% or more of the children on the daily roster do NOT have an IEP. Students with disabilities receive their services from a special education or related service provider.
