Go To ▶

Directions

For enrollment, enter the number of children between 5 and 17 years old, who lived at the facility for at least one day (24 hours) during the window. If a child exits and re-enters during the window, they would be counted twice.

Note: Please upload a description on [how the program meets the definition](#) for the designation on the **Related Documents** page.

Definitions

An **eligible neglected facility** is a public or private residential facility, other than a foster home, that is operated primarily for the care of children or guardians.

An **eligible delinquent facility** is a public or private residential facility, other than a foster home, that is operated primarily for the care of children.

* How many delinquent facilities are in your district?

* How many neglected facilities are in your district?

- Enter the number of facilities of each type in your local educational agency (LEA).

Delinquent Count

<input type="text"/>	2022 October Delinquent Count
* <input type="text"/>	2023 October Delinquent Count - Include the total from all of your <u>delinquent</u> facilities that are listed below.
<input type="text" value=".00"/> %	Difference in Enrollment

Neglected Count

<input type="text"/>	2022 October Neglected Count
* <input type="text"/>	2023 October Neglected Count - Include the total from all of your <u>neglected</u> facilities that are listed below.
<input type="text" value=".00"/> %	Difference in Enrollment

- The total count for both types of facilities from 2022 will appear in that box (it cannot be changed). Enter the Total count for both types of facilities from 2023. The “Difference in Enrollment” will auto-calculate with a percentage.
- If both percentages are less than 10%, leave the box shown below unchecked and skip the next step.

Check this box if this year's delinquent or neglected count (October 2023 Count) increased or decreased by 10% or more from last year's count (October 2022 Count).

- If either or both are a change of 10% or greater, check the box, provide a justification, and answer the two additional questions by selecting the appropriate response from the dropdown box.

Check this box if this year's delinquent or neglected count (October 2023 Count) increased or decreased by 10% or more from last year's count (October 2022 Count).

* To what do you attribute this change?

Which count had an increase or decrease?
Select...

Did the count increase or decrease by more than 10%?
Select...

- Complete the *Facility* table by entering the count information for each facility. Enter only one facility's information per line. Click **Add Row** to add each additional facility until all information has been entered for the facilities in the LEA.

Facility Name	What type of facility is your institution?	Is this a residential facility in which children and youth are under 24-hour care?	Is this a Neglected or Delinquent facility?	2023 Count	Capacity - Please enter the capacity for this facility.
<input type="text"/>	Select...	Select...	Select...	<input type="text"/>	<input type="text"/>

Add Row

- Complete the *Related Documents* page by uploading a program definition and supporting documentation (such as a screenshot of their webpage, charter information, and/or an informational brochure). This documentation should contain information on offered services and the type of students they serve. This should be completed for each facility. Once the first upload is complete, another *Upload New* prompt will appear.
