

## What's New: FY25 CFA

See the [Technical User Guide: FY25 CFA](#) for more details

### Title I: *New Budget Tags, New Page Items, New Related Document*

- **Budget Tags:** New optional Title I Set Asides Budget Tags
- **Personnel Details—Regular School Year K-12, School-level Page:** New totals questions for LEAs uploading data via the spreadsheet template.
- **School Eligibility Page:** New Columns
  - **School Open Date:** This new column is prepopulated with each school's first year of operation as reported in the 2023 ePlan User Access Audit. Please send any updates to [ePlan.Help@tn.gov](mailto:ePlan.Help@tn.gov).
  - **School Type:** This replaced the *Charter Schools* column and is pre-populated from each school's ePlan organization record. Please send any updates to [ePlan.Help@tn.gov](mailto:ePlan.Help@tn.gov).
- **Identifying and Ranking Schools:** New Related Document for supporting documentation.
- **Supplement Not Supplant:** This requirement has been moved from the CFA into an independent FY25 Data and Information tool. More information will be shared in the coming weeks.
- **Family Engagement:** New checklist item to better reflect department review assignments.

### Title I, Part C; Title II; Title III; and Title IV: *New Budget Tag*

- **New Budget Tag:** Non-Public Instructional Set-Aside.

### Title I, Part C: *Budget Tags and Updated Questions*

- **Budget Tags:** New mandatory *Title I, Part C School Year* and *Summer Term* budget tags
- **New Question Layout:** Program details page updates to identify summer programming more clearly.

### Title II, Title IV, and Title V: *Updated Preschool Personnel Pages*

- **Updated Pages:** These new page layouts better reflect system level personnel.

### Title III and English Learner: *Page Updates and New Requirements*

- **Program Details pages:** Renamed to provide easier navigation.
- **New Title III Budget Requirement:** Fiscal Agents for a Title III Consortia must enter the location/site code to budget funds for consortia members in the **Option Program Code** field.
- **Consortia Budget Review:** New Question for former Consortia members to identify the Fiscal Agent
- **New FER Program Details page:** Fiscal Agents will complete a FER Program Details page after year-end to report on carryover Consortia funds. More information will be shared at the close of the fiscal year.

### IDEA Part B and IDEA Preschool: *Page Changes and Updated Questions*

- **IDEA Private School Details:** Updated layout and questions to better collect carryover information.
- **Deleted Pages:** The *Permissive Use of Funds* pages have been removed for both IDEA sections. LEAs will use the relevant individual pages to identify use of funds.
- **IDEA Part B: D. Comprehensive Coordinated Early Intervening Services – Mandatory page:**
  - **Updated page name and new check box:** to indicate if LEAs are only required to budget carryover funds. This will allow LEAs to disregard current allocation in page calculations.

### Assurances: *Updates*

- **IDEA Assurances:** Updated Assurance to better reflect State Board of Education Rule requirements.
- **OCR Assurances:** Updated to include TN State Board of Education rules.
- **Title I, Part C Program Assurances:** Updated references and updated formatting for consistency
- **Program Assurances - Title III:** Minor clarification to better align with legal requirement.
- **English Learner Requirements; Program Assurances - Title III and EL OCR Assurances:** Updated references, including to specified English Learner screener.
- **Assurances:** Updated references only
  - **Title II Program Assurances; Title I, Part D State Agency Program Assurances**
  - **ESEA Assurances**
