Notes:

• **Please see https://www.tn.gov/education/districts/lea-operations/education-information-system-eis.html for additional descriptions/definitions.**

• **Disciplinary descriptions are NOT sent on the EIS extracts, so no changes required on extract 46. However, disciplinary reason code's descriptions will be updated to reflect the UPDATED description in EIS application(s).**

• **No changes to the "zero tolerance." However, "disciplinary reason code to zero tolerance" mapping for 27,28,50 are still the same, except that based on threat assessment (which is required by law now), if the threat 27 and 50 are considered to be NOT valid, then it should be reported as 28. Please check the updated definition.**
