

FY24-FY26 Lottery for Education: Afterschool Programs (LEAPs) Grantees

Background

In November 2002, Tennesseans voted to create a state lottery. The General Assembly established that profits from the lottery be used for specific educational programs: college scholarships, early childhood programs, and afterschool programs. In accordance with state law, one hundred percent (100%) of monies constituting an unclaimed prize shall be deposited into an afterschool account to administer a system of competitive grants and technical assistance for eligible organizations providing afterschool educational programs within Tennessee. Eligible organization may include both local educational agencies (LEAs) and Community-Based Organizations (CBOs).

The Tennessee Department of Education (department) is responsible for implementing the competitive grant process and for oversight of these funds. The overall goal of Lottery for Education: Afterschool Programs (LEAPs) is to provide Tennessee students with enrichment opportunities that reinforce and complement the regular academic program.

The three-year grant has been awarded to the following districts for FY24, FY25, and FY26. More information about LEAPs and other extended learning programs may be accessed [here](#). Questions regarding 21st CCLC can be sent to Extended.Learning@tn.gov.

Grant	Organization	Organization Type
Lottery for Education: Afterschool Programs (LEAPS)	Anderson County	LEA
