

Title II, Part A Use of Funds Survey

Overview

Under § 2104(b), the Elementary and Secondary Education Act (ESEA) requires local education agencies (LEAs) to report to the State education agency (SEAs) on how Title II funds are spent each year. Historically, the LEA survey conducted by the U.S. Department of Education (ED) has been used to help the Tennessee Department of Education (department) meet this requirement. In the absence of the ED survey this year, the department will be responsible for collecting this information for **school year (SY) 2024-25**, as outlined in ESEA § 2104(b) and making the results publicly available (ESEA § 2104(c)).
