

TITLE I SKIPPED SCHOOLS

LEA must request and receive prior approval from TDOE to skip schools. Request must be in writing annually. Letter should be uploaded as a related document into ePlan as part of the Consolidated Application. *Special Note: If an LEA is a skipping school, equitable services must still be calculated with Title I funds.*

Section 1113(b)(1)(D) of ESEA includes a "skipping provision" that permits the school system not to serve an eligible Title I school that has a higher percentage of low-income students if the school meets all three of the following conditions:

1. The school meets the comparability requirements of section 1120(A)(c).
2. The school is receiving supplemental funds from other state and local sources that are spent according to the requirements of section 1114 and 1115.
3. The funds expended from these other sources equal or exceed the amount that would be provided by Title I.
