Tips for IEP Monitoring Process

Double-check to make sure each indicator has a response.

Upload **only** the document applicable to that indicator.

Be as accurate as possible with responses based on evidence the LEA monitor provided in the platform.

If the platform **does not** match the student file, contact the IDEA Compliance Manager (Michael.Gateley@tn.gov) before beginning the monitoring process.

As the designated LEA Admin ensure that you are clicking on and viewing each uploaded document before submitting for SEA review.

What is new?

- Proof of Implementation Monitoring Cycles
 - Districts with more than one finding in an area (2+ students have the same non-compliant item marked from the protocol) will have more files pulled for another round of monitoring.
 - 1 student ID impacted in finding area = 0 new files
 - 2 = 2 new files
 - 3-4 students = 4 files
 - 5+ students = 8 files

What *else* is new?

- Districts that complete the Proof of Implementation cycle successfully will be Closed.
- Those that do not will continue with another pull and another cycle if time permits.
- If a district takes more than three chances, the district will join the next fiscal year cohort and start again at 15 files.
